GLENDALÉ AZ SISTER CITIES

We have recently brought back a Sister Cities program to Glendale, and we're very excited to share this with fellow residents, and involve as many people from the community as possible! There are lots of opportunities to participate in internationally-themed projects and fundraisers in support of the program. We have included an educational sharing component to involve school children of all ages with our Sister City, and eventually there will be a student exchange program for high school students. We currently have one Sister City and are actively seeking others!

OUR MISSION

The Glendale Ambassadors (501-C4), the GCPA Foundation (501-C3), and Glendale AZ Sister Cities (501-C3) include local citizens with pride in their community who want to promote and maintain economic, social, and cultural vitality for the residents of Glendale and surrounding areas.

COMMUNITY ACTIVITIES

Work the beverage booth and greet visitors to Glendale at:

- Glendale Glitters
- Glendale Glitter and Glow
- Glendale Chocolate Affaire

Assist with City of Glendale organized events

Partner with other local nonprofit organizations to support their events

Network with our own members, partnering organizations, or other citizens in the community at meetings or local events

OUR ONGOING CONTRIBUTION TO GLENDALE

Money raised through our fundraising efforts is used for community projects and programs that support our mission both locally and internationally. However, our members' contributions to the community go much further than helping out monetarily. For over 20 years, our members have been serving on Glendale Boards and Commissions, neighborhood HOA's, supporting city and neighborhood activities, and spreading the word about Glendale to other communities in our state and now in our Sister Cities abroad!

We are also supportive of each other as members - the friendships we make are invaluable.

We are always looking for ways to get involved in our community!

SOCIAL ACTIVITIES

We provide a variety of social activities for our members.

One of the key requirements for membership in our organization is to **ALWAYS HAVE FUN!**
